

## Pinot Grigio Oakenshield Wineworks 2009

This Pinot Grigio is predominately from our organically farmed Whale Rock vineyard on the extreme west side of the Templeton Gap. Pinot Grigio is a crisp white wine suited to any light and savory entrees. The aroma has hints of apple and peach with a slight lemon note. The mouth is bursting with fresh tropical fruit with a delightful crispness. This wine is a favorite among our Tasting Room visitors and staff.. Enjoy the wine with special friends and watch them light up. The Oakenshield wines are a special bottling by Niels and Bimmer dedicated to the enjoyment of life with friends and family, both past and present.
