

Reserve Tempranillo 2005

The wine club members were right about this wine. It continues to be a great addition to the Castoro family of wines. We made the wine in the style preferred by the Rioja winemakers of Spain. By extending the length of oak aging, this results in a rich but not overwhelming wine with balanced tannins and fruit. Enjoy the aroma of oak and fruit, then the taste of plums, raspberries and just the right note of oak aging that bring out the fullness of the wine. It's great with Paella and would be terrific with tapas or grilled fish.
