## **Viognier Reserve Paso Robles 2016**

The 2016 Viognier is Estate Grown in our SIP Certified Dos Viñas Vineyard on the eastside of Paso Robles. A long, cold fermentation in stainless steel tanks retained the distinct Viognier floral and fruit characteristics that we love: orange zest, ripe peach, dried apricot, and grilled pineapple. This Viognier is lush with a weighted palate and a refreshing, smooth finish. Enjoy this wine with friends and family on warm evenings with your favorite light summer meal!
